Mission & Purpose:

This committee is comprised of community members engaged in planning, development, and civic leadership in the City of Charlotte. They have been convened in order to help guide and inform the process of Charlotte's development ordinance update (Charlotte Place Types and Unified Development Ordinance). Their mission is to help ensure an inclusive, rigorous, and transparent process.

Committee Role & Expectations:

- *Provide expertise and feedback to shape the process and outcomes.*
- *Be a connection to various professional and community organizations, sharing information and connecting others to the process.*
- *Serve as a sounding board that uncovers blind spots and identifies challenges and unintended consequences.*
- *Provide for frank and transparent dialogue.*

Committee Culture & Engagement:

- *Respect everyone's responsibility to speak.*
- *Engage with civility.*
- *Speak for your point-of-view.*
- *Keep an open mind.*
